Tuition: \$7/hour per student (some classes also include materials fees)

THEATRE ARTS

Theatre (Tara) | Grades K-2 | 5 min, 12 max

Students will explore theatre basics and work together to create new worlds! Creative process, not product, is the focus of this class and the instructor will lead them through daily theatre exercises and improv games. Each student will have opportunities to build personal confidence and practice their public speaking skills. Classes will sometimes include breaks for outdoor play, so the students can then refocus in the classroom.

Theatre Production (Lisa) | Grades 3-5 or 6-8 | 7 min, 15-25 max

This class will take students through the process of putting on a show! From auditions to rehearsals to the performances themselves, the group will learn lessons in stage etiquette, line memorization, set design, costuming, vocal projection, choreography, and so much more! The session will culminate in a final show that friends and family are welcome to attend. Note: Schools must be able to provide storage for cardboard props during the last week of the session in order to run this program.

Improv (Dana, Neco) | Grades 4-5 or 6-8 | 7 min, 15 max

Explore the imaginative world of improv in this EduArts class! Students will learn improvisation basics, play games with friends, and create their own unique worlds and situations. The sky's the limit! Improv is a great way for kids to build confidence and trust in others in a safe and supportive environment. These classes will often culminate in a *Whose Line Is It Anyway?*-style showing that is open to friends and family.

Scriptwriting (Dana) | Grades 3-5 or 6-8 | 7 min, 15 max

All your ideas brought to life! In this class, we will play theatre games to inspire ideas for stories. Students will write their scripts independently or with friends and hear them read aloud in class in a "reader's theater" format. The instructor will guide students through revisions and adjustments to their stories as the session progresses. As a group, the class will decide which final scripts will be read for parents and friends at the final showing on the last day.

VISUAL ARTS

Art Adventures (Lori) | Grades K-2 or 3-5 | 5 min, 12 max | \$6 materials fee

Art Adventures is a mixed-media class taught by an experienced instructor in a supportive and encouraging environment. Exploration of new techniques may include paper collage, black glue watercolors, compositional forms, op art, sandpaper printmaking, and finding creatures in random paint blobs. The class will apply creative thinking skills to each project and everyone will work at their own pace. All levels of experience will be celebrated, and the session will culminate in an art show for families.

Visual Arts (Lori) | Grades K-2 or 3-5 | 5 min, 12 max | \$6 materials fee

In this mixed media art sampler class, students will enjoy experimenting with different techniques and mediums. Projects are designed with creativity and the joy of experimentation in mind. Chalk and oil pastels will be used. Paper collage, watercolor, dot markers, and more will be included in the lessons. The flow of the class will be determined by the interests of the group. Let's make some beautiful art happen!

Printmaking (Chris) | Grades 3-5 or 6-8 | 5 min, 12 max | \$15 materials fee → **not available 2018-2019**

In this after-school class, students will learn relief printing, which is the transfer of ink from a carved block onto paper in order to create multiple images. We will focus on printing textures and images from blocks that students will carve and ink themselves, and explore the craftsmanship, color, composition, editioning, and layering.

Photography (Jenn) | Grades 3-5 or 6-8 | 5 min, 12 max | \$10 materials fee

Build a homemade camera out of recycled materials and develop your own pictures in this exciting after school class! Students will learn how cameras, like the human eyes, record images upside down and in reverse. From tiny pinhole cameras, to one's the size of your classroom, join us to learn all about the art of photography.

Gnome Discoveries (Natalia) | Grades 1-2 or 3-5 | 5 min, 9 max | \$5 materials fee → **not available 2018-2019**

In this after school arts enrichment class, we will combine craft and learn fairy lore. Be prepared to craft geodes, gnomes, caves, and animals in preparation for winter fun. Outdoor games of magic and mischief will be played. Gnome and fairy stories will be shared while the children craft. Love of fairy myths, story, and a desire to learn handcrafts encouraged. The arts of wet felting and needle felting will be explored in this series.

Mythical Creatures (Natalia) | Grades 2-5 or 6-8 | 5 min, 9 max | \$5 materials fee → **not available 2018-2019**

Let the myths of unicorns, dragons, fairies, and phoenixes be your guide in creating art! In this after-school fiber arts class, we will craft our own unicorn horn, felt dragon's jewels, and needle felt fairies. All while playing magical games and learning ancient folktales.

Bird Callers (Natalia) | Grades 2-5 or 6-8 | 5 min, 9 max | \$5 materials fee → **not available 2018-2019**

In this after school arts enrichment class, we will combine craft and nature awareness. Nature awareness and games will keep us outside part time. When inside, we'll create birds, nests, and eggs as part of an exploration in learning more about each student's favorite bird. Love of the outdoors and a desire to learn handcrafts encouraged. The arts of needle felting, weaving, and wet felting will be explored in this series.

CHOIR and MUSIC

Choir (Evan) | Grades K-2, 3-5, and 6-8 | 6 min, 15 max

In Choir, students will learn about music theory, rhythm, tone, vocal projection, and dynamics. The challenge level of this class will largely depend on the age range of the students. However, all classes will get to form their own choir and practice singing as one group! Choir classes often end in a final performance open to families and friends.

Music in Motion (Paul) | Grades 3-5 and 6-8 | 5 min, 12 max

Music in Motion is a music program for kids of all ages that is dynamic, engaging, and fun! The program features two parts: *BodyBeats* and *MelodyFlow*. *BodyBeats* develops a child's rhythmic sense through pattern recognition and physical motion. *MelodyFlow* develops a child's melodic sense through guided listening and expressive gestures. When these two elements are combined, students experience the fun of being together in groove and flow. Paul Russell's background in Music Education and Physical Theater makes him uniquely suited for leading this program. For more information about Paul, visit themusicalmandala.com.

Guitar (Dave, Tom) | Grades 3-5 and 6-8 | 5 min, 8 max | \$25 guitar rental (optional)

In this class, students will develop interest by having a good time, learning proper technique including posture, hand position, and dexterity, and begin the process of understanding how the guitar works. **Both new and returning students are welcome!** We will play games to learn frets and notes, introduce simple melodies like *Mary Had a Little Lamb*, and have show-off time in class. Families have the option to rent a guitar for the quarter for an additional \$25. Otherwise, you must provide an instrument for your child to use in class and practice on at home (a 3/4 sized acoustic with nylon strings is recommended).

DANCE

Creative Dance (Tara) | Grades K-2 | 5 min, 10 max

EduArts Creative Dance classes are a great way for kids to get moving after a long day of school. Students will explore movement through imagery, music, time, and space. They will be given opportunities to learn phrases, as well as compose some of their own dance sequences and deepen their understanding of rhythm, quality, and line. They are a fun way for students to move with friends and become more acquainted with the uniqueness of their own bodies. No prior dance experience required.

Dance Theatre (Tara) | Grades 3-5 | 5 min, 15 max

This new EduArts class combines many elements of the performing arts. Dance Theatre will focus on developing creative movement, exploring performance qualities, and an introduction to choreography. The goal for this class is to help students become curious about their bodies' unique movement styles and how to use this skill to portray a story, character, or theme through movement and spoken word. Dance Theatre will provide children with a creative outlet in which to explore their own movement and performance potential. No prior dance or theatre experience required.

Swing Dance (Damian) | Grades 6-8 | 6 min, 12 max

Jump, jive, and wail for the middle school Swing Dance Team! This EduArts class will teach students about classic jazz line dances, such as *Mama's Stew* and *the Shim Sham*. They will also dance the *Lindy Hop*, the partner style that swept the nation in the 1920s and 30s. Swing dancing is a fun and fast-paced way to learn new skills, and in the words of Irving Mills, "It don't mean a thing if ain't got that swing!"
